Corporate Core Values & Philosophies

An Overview of Tata, Microsoft, Google, Amazon, Byju's, PwC, EY, and Infosys

Tata Group

- **Integrity:** Conducting business fairly, honestly, transparently, and ethically.
- **Responsibility:** Integrating environmental and social principles to give back to the communities.
- **Excellence:** Achieving the highest quality standards while constantly promoting meritocracy.
- **Pioneering:** Being bold, agile, and courageous to create innovative, customer-centric solutions.
- **Unity:** Investing in people and partners to build collaborative relationships built on trust.

Microsoft

- **Innovation:** Developing technology that empowers every person and organization on the planet.
- **Diversity and Inclusion:** Actively seeking out and embracing a wide array of perspectives and backgrounds.
- **Corporate Social Responsibility:** Serving and supporting local and global communities.
- **Integrity and Honesty:** Maintaining open, respectful, and transparent relations with partners and customers.

Google (Alphabet)

- **Respect the User:** Focus on the user and all else will follow.
- **Respect the Opportunity:** Act with speed, digital democracy, and excellence.
- **Respect Each Other:** Bring unique perspectives, collaboration, and serious work without a suit.
- **Key Motto:** Focus heavily on providing universal accessibility to information globally without doing evil.

Amazon (Key Leadership Principles)

- **Customer Obsession:** Leaders start with the customer and work backwards.
- **Ownership:** Leaders are owners. They think long term and don't sacrifice long-term value.
- **Invent and Simplify:** Expect and require innovation and invention from teams.
- **Bias for Action:** Speed matters in business. Many decisions and actions are reversible.
- **Frugality:** Accomplish more with less. Constraints breed resourcefulness, self-sufficiency, and invention.
- **Deliver Results:** Focus on the key inputs and deliver them with the right quality in a timely fashion.

Byju's

- **Humility:** Listening to others, eliminating egos, and keeping feet firmly on the ground.
- **Innovation:** Thinking big, game-changing benchmarks, and taking challenges head-on.
- **Passion:** The nucleus of all projects, aiming to make learning highly accessible.
- **Integrity:** Ensuring transparency, honesty, and keeping promises.
- **Empathy:** Listening to understand the learning needs of students.

PwC

- **Act with Integrity:** Upholding professional standards, doing what is right, and maintaining objectivity.
- **Make a Difference:** Staying curious and creating a positive impact for clients and communities.
- **Care:** Understanding and valuing every single individual and supporting their growth.
- **Work Together:** Collaborating across boundaries, seeking diverse ideas, and sharing knowledge.
- **Reimagine the Possible:** Challenging the status quo, innovating, and learning from failure.

EY (Ernst & Young)

- **Integrity & Respect:** People who demonstrate integrity, respect, teaming, and inclusiveness.
- **Courage to Lead:** People with energy, enthusiasm, and the courage to lead.
- **Ethical Relationships:** People who build relationships based on doing the right thing.
- **Core Purpose:** Dedication to building a better working world across global ecosystems.

Infosys (C-LIFE Framework)

- **Client Value:** Striving to consistently surpass client expectations and deliver outcomes.
- **Leadership by Example:** Believing ordinary people can achieve extraordinary things with mentoring.
- **Integrity and Transparency:** Remaining strictly ethical, sincere, honest, and highly open.
- **Fairness:** Being strictly objective, empathetic, and caring to earn mutual trust.
- **Excellence:** Constantly learning, upskilling, and relentlessly improving performance.
